

IN THE COURT OF COMMON PLEAS
CUYAHOGA COUNTY, OHIO
CRIMINAL DIVISION

In Re: Environmental Investigation : Case No. CR 298769
:
: ENTRY

Upon application of the Attorney General of Ohio, in accordance with Crim. R. 6(E), and for good cause shown, the Grand Jury testimony and exhibits presented to the Cuyahoga County Grand Jury in the above-captioned investigation are hereby ordered released to Assistant Attorney General David G. Cox to release as necessary to Assistant Attorneys General Timothy J. Kern and Bryan F. Zima to utilize in the litigation of a civil case and to obtain injunctive relief and/or other relief as necessary regarding the wastes and/or contamination at and in the vicinity of the Master Metals, Inc. site and Holmden Avenue, Cleveland, Ohio.

In addition, such materials may be provided to U.S. EPA for the determination of entities responsible for the wastes and/or contamination at and in the Master Metals, Inc. site and Holmden Avenue and/or Administrative Orders regarding the wastes and/or contamination at and in the vicinity of the Master Metals, Inc. site and Holmden Avenue.

Furthermore, a copy of any exhibits, which are the business records of Master Metals Inc. shall be returned back to Master Metals Inc. for use in its business as necessary.
